Sleep Well Live Well

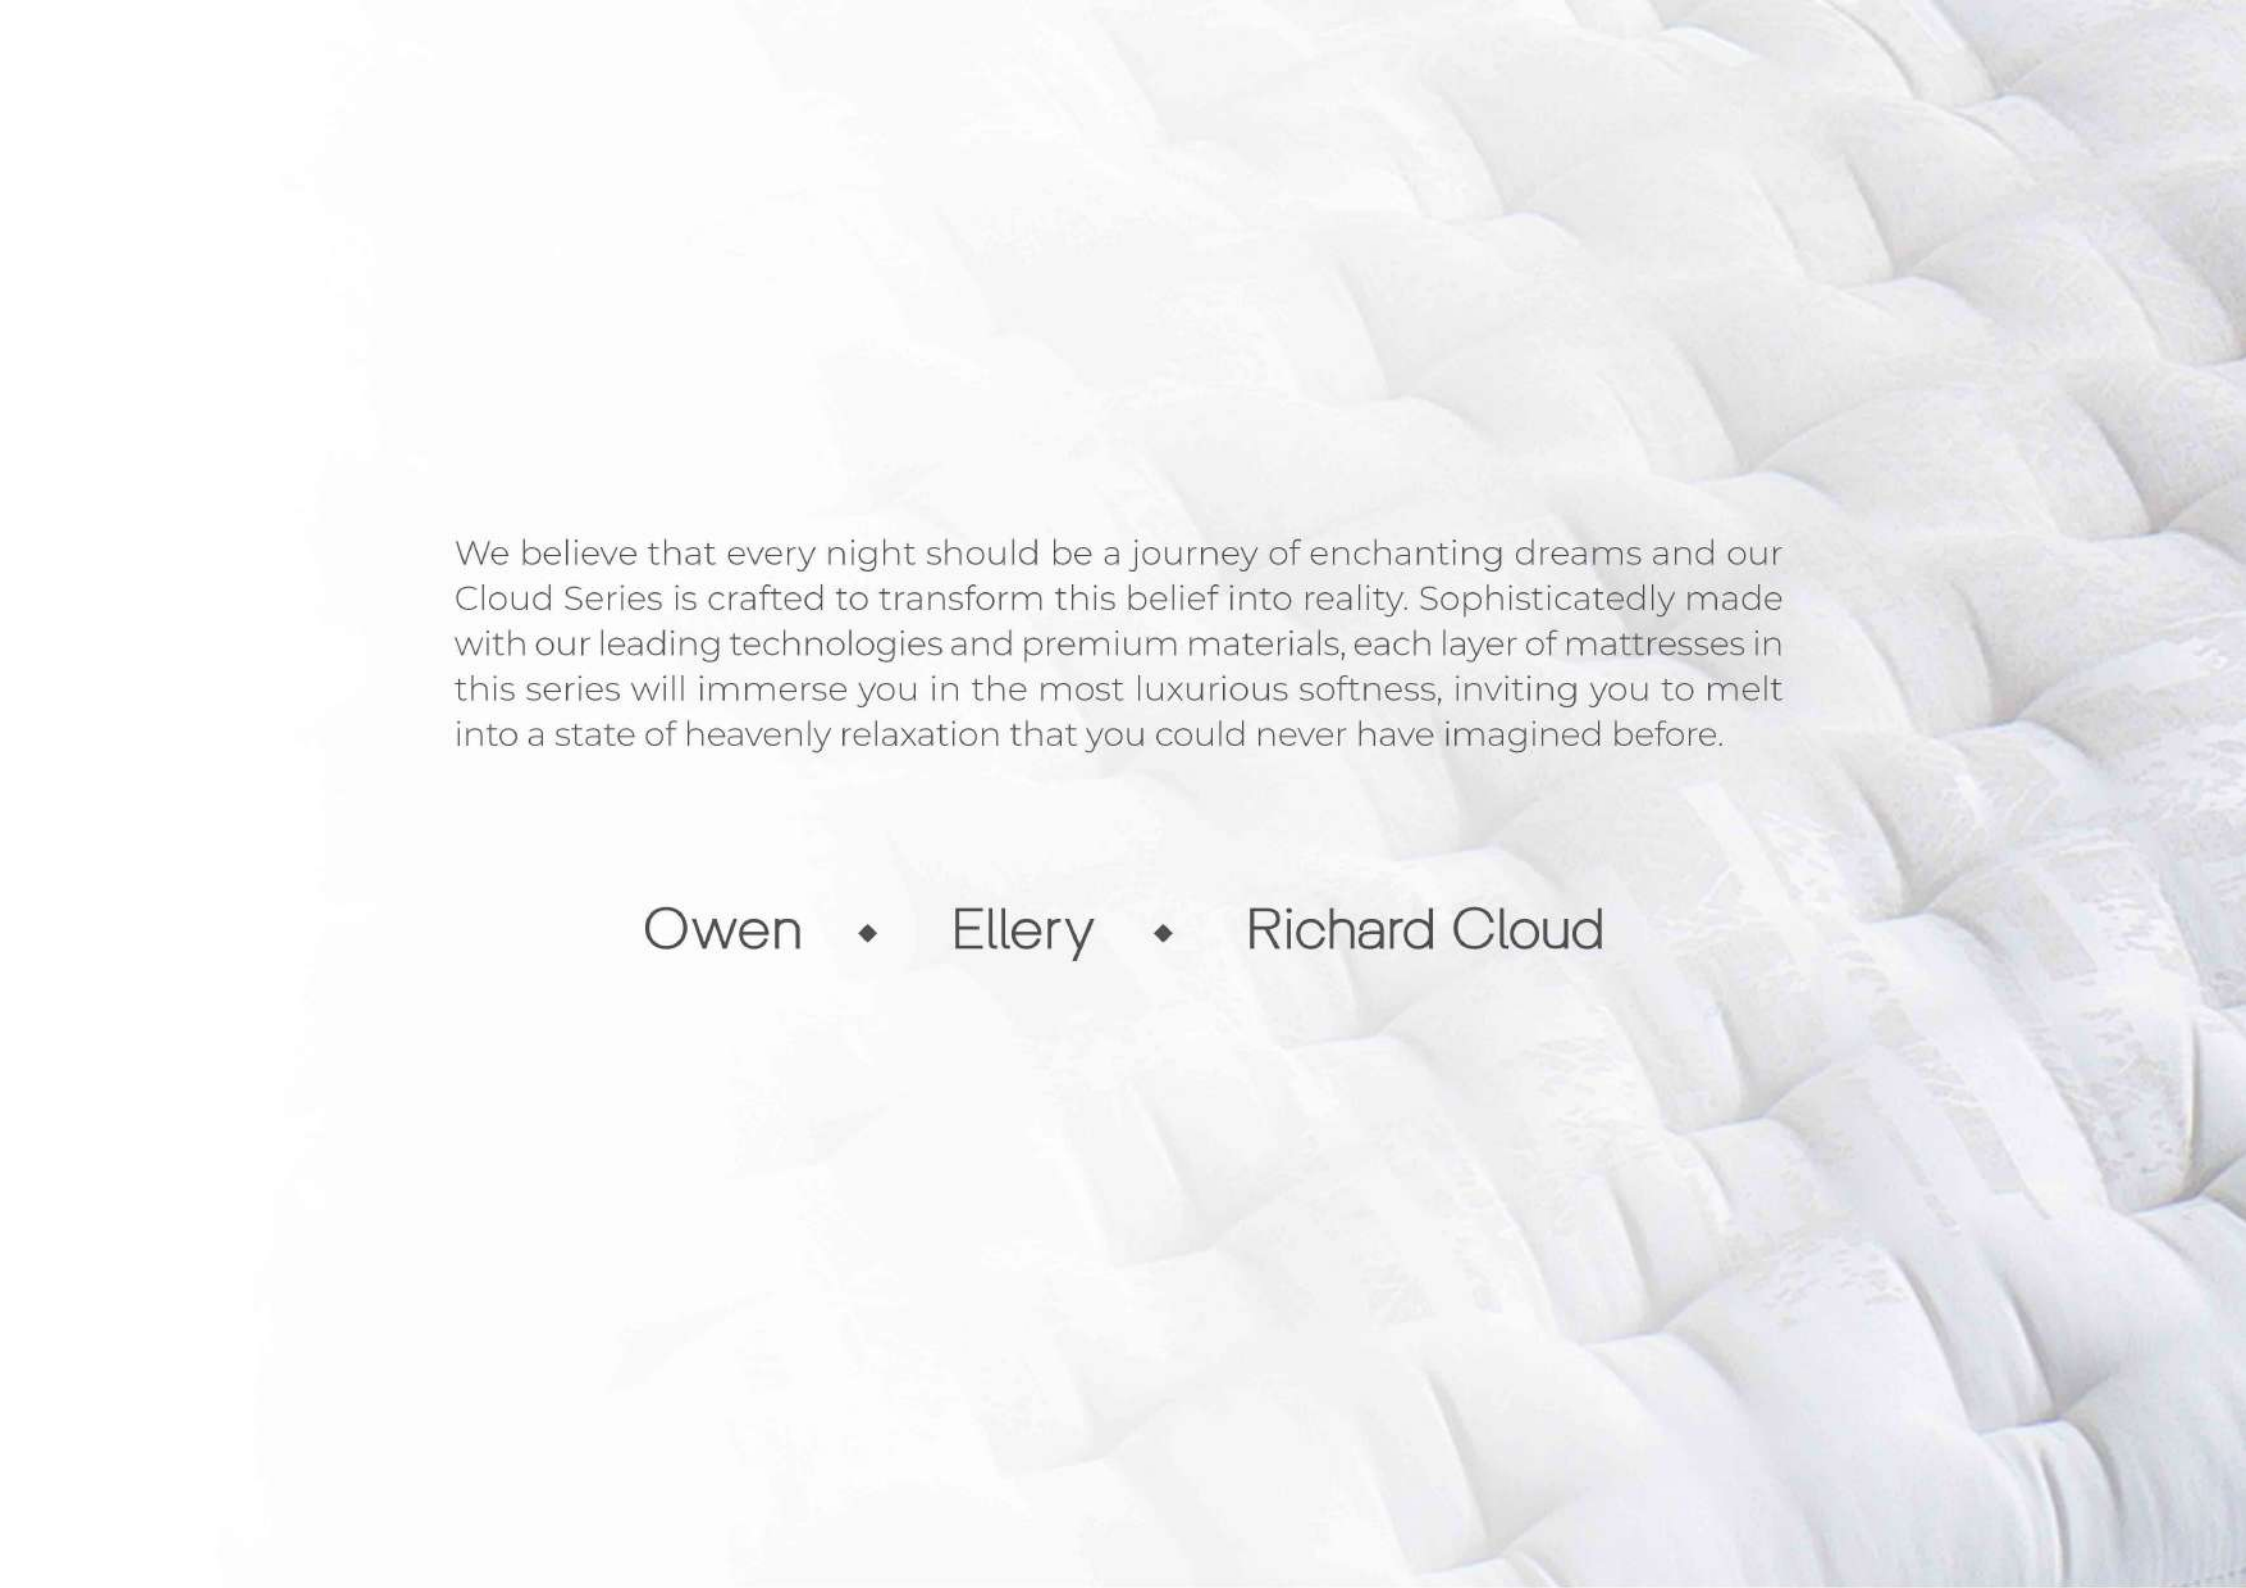

PT. Alga Jaya Raya established in 1976, is the ***first national company and pioneer of spring mattress technology or better known as spring bed industry in Indonesia.***

Through the Alga brand, PT. Alga Jaya Raya has succeeded in changing society's views from using cotton and foam mattresses to spring bed. For nearly half a century, Alga Mattress has won several awards by consistently producing quality mattresses. Together with the participation of our skilled workers and dedicated supplier networks, we strive to deliver supremely comfortable and long lasting mattresses for the best sleep that our customers deserve.

Latex Series _____

When it comes to mattresses, nothing beats the inherent superiority of latex. Our Latex Series mattresses, made from rubber tree sap, are masterpieces of design and craftsmanship. We utilize imported high-quality latex, which has outstanding elasticity and fits exactly to your body contours, ensuring the optimal posture of the spine in all sleep positions. Furthermore, latex provides breathability, resulting in a cooler and more pleasant night's sleep.
